

PREMIUM TIMBER SASH WINDOW SPECIALIST

Your Timber WINDOWS Ltd was established to meet the demand for high quality, bespoke timber windows and doors for period style properties and 21st Century homes. As well as providing our customers with high quality products, we pride ourselves on offering excellent value for money.

Unlike many joiners who provide a supply only service with recommended fitters, we offer a full bespoke production and on-site fitting service. In addition we can also provide and fit internal window linings, sills and architraves as required so your property can be left in a perfect condition.

At the heart of our company is the highly skilled and dedicated workforce. We strive to achieve maximum client satisfaction by not only meeting your specific needs but also through acting professionally and responsibly.

We are committed to cutting costs for our homeowners not cutting corners.

ISOKERN

ISOKERN is made from natural pumice sourced from the Heide, Volc and is a natural insulator. It is lightweight, easy to install and highly resistant to temperature change, frost and corrosion. What's more, as a natural insulator, pumice is highly effective at keeping fire proof-warm while not transmitting heat to the outside. Great choice for new chimney systems and retrofits for over 25 years. Why not see what it could do for your next project? To find out more about Isokern visit us at www.schiedel.co.uk
